

TOWN OF HINGHAM
OFFICE OF THE HARBORMASTER
DEPARTMENT OF POLICE

February 01, 2010

Dear Boater:

There has been a change in the mooring and docking permit fee. In January the Selectmen voted to have the **\$7.00 fee assessed to all vessels \geq 13 feet**. On the reverse side is your mooring/docking application for 2010. If your boat is less than 13 feet there is no charge for the permit. **All boats regardless of the length moored in Hingham are required to have a mooring permit on the boat prior to launch.**

Boat owners who moor in the Inner Harbor Mooring Basin please check our website www.hingham-ma.com/harbormaster for updates on the mooring optimizations as well as mooring assignments.

Please complete the following 5 steps.

1. Check all information on your application. If you need to make changes cross out the old information and write the new information on the application.
2. Enclose a copy of your current documentation or registration with the application.
Mass Registration Online Renewal Site: www.sport.state.ma.us/
USCG Documentation: www.uscg.mil/hq/cg5/nvdc/default.asp
[1-\(800\) 799-8362](tel:18007998362)
3. To calculate the fee, use the **length on your registration or documentation** and multiple by **\$7.00**.
4. Make check payable to Town of Hingham.
5. Enclose a self-addressed stamped envelope.

DOUBLE CHECK ALL THESE STEPS FAILURE TO SIGN, ECLOSE PROPER MONIES, OR ANY OTHER MISSED INFORMATION MAY RESULT IN YOUR APPLICATION BEING RETURNED.

Sincerely:

Hingham Harbormaster
